

BOYANUP STORE SALE

MARKET REPORT

BY MATT WATTS (0437 967 267)

Landmark reports a total yarding of 970 weaners at Boyanup saleyards on Wednesday 20th November 2019, with the Landmark yarding consisting 801 weaners. A solid yarding of new season weaners met similar buying support to last week, with live export and lot feeders dominating the clerking sheets. European content weaners again attracted a premium from live exporters and were of high quality. Regular lot feeding programs sourced weaners throughout the sale to see the steer yarding sell from 300-352c/kg to average 330c/kg, up 10c/kg on last week's WALSA weaner sale. Weaner heifers that were on offer were generally lighter but improved quality on feeder types saw values sell from 240-310c/kg to average 277c/kg, up 13c/kg on last week. A strong attendance of graziers competed actively on under 320kg weaners to take advantage of buying weaned cattle for the paddock.
